

Stakeholder map

Organization: _____ Date: _____ Owner: _____

ISO 26000 clause 5.3: identify who is affected by your decisions and activities, then engage them. List each stakeholder, rate power and interest (1-5), and place them on the grid: high/high = manage closely; high power, low interest = keep satisfied; low power, high interest = keep informed; low/low = monitor.

Stakeholder	Their main concerns	Power (1-5)	Interest (1-5)	Engagement method	Owner
Employees					
Customers					
Suppliers					
Local community					
Shareholders / owners					
Public authorities					
Banks / insurers					
NGOs
